Within ten (10) days of proper service of a claim, demand, suit, or other legal action against any protected party, the District shall inform the Association and provide the Association with copies of any documents received as a result of the legal action. Staff Collaboration Time shall be utilized for grade level team planning; collaboration and articulation among teachers; and curriculum planning. This time period shall be collaboratively designed and implemented by bargaining unit members and the school administration.

If the Staff Collaboration Time period is used for any purpose other than that which has been previously listed, the activity will also be planned collaboratively between bargaining unit members and the school administration. This time shall not be used for staff meetings, individual teacher planning time, or for the early release of teachers.

In order to establish Staff Collaboration Time, each participating high school may increase the number of daily instructional minutes contained in Article X, Section 1C(a) of this Agreement in one of two ways:

- 1) The high school may increase the number of daily instructional minutes by a minimum of nine (9) minutes or maximum of 12 minutes, four (4) days per week and on the fifth (5th) day of the week; instructional minutes may be decreased in order to implement Staff Collaboration Time by a late start or early dismissal.

In the event the Site Administrator is unable to provide adequate supervision to ensure the safety of children, bargaining unit members shall perform this duty and such duty must be equitably assigned at each worksite. On such an occasion, the supervising teacher may leave the worksite early by the same amount of time he or she performed the duty, on the first afternoon without a meeting. When assigned morning supervision an employee may be required to report for that duty thirty (30) minutes before the start of the earliest class if the principal deems such early reporting necessary to assure adequate supervision. When assigned supervision at student dismissal time employees may be required to remain on duty for up to thirty (30) minutes after the dismissal time if the principal deems more than twenty (20) minutes of supervision are necessary to provide adequate supervision of students.

The time the recess may be held shall be designated by the principal. Recess supervision shall be done by teachers utilizing this afternoon recess.

- (d) On all regular or normal days except those on which staff, team, or district ordered meetings are scheduled, the final forty-five (45) minutes of the elementary teachers workday shall be designated as planning time for those with full-time classroom teaching assignments. Schools which start classes at 9:00 a.m. may schedule planning time at the beginning rather than the end of the day by mutual agreement between staff and principal. Should mutual agreement not be achieved in a staff meeting, the principal shall determine when planning time shall be scheduled. Planning time is provided to allow teachers an opportunity during the workday to prepare assignments, correct papers, meet with parents and other staff members, meet with students, and to perform related tasks arising from the teaching assignment.
- (e) Using the voting procedure in Section 2 and with the agreement of the school principal, annually by April 1, an elementary school may set aside a portion of one school day, per week, to establish a Staff Collaboration Time period.

Prior to the end of each school year, the site administrator shall meet with his/her staff, or with elected representatives of his/her staff, for the purpose of mutually agreeing on the number and type of committees and special events that will be necessary to carry out the school program in the following year. Other special events or committees may be mutually added during the school year.

The list of agreed upon committees and special events shall be submitted to the school staff so that site members may select those committees and/or events in which they want to participate.

- D. Sick leave shall be cumulative.
- E. On the first day of every school year, every employee shall receive a sick leave allotment credit equal to the employee's sick leave entitlement for the school year. An employee may use such credited sick leave at any time during the school year.
- F. Employees who work less than full time (day or year) shall earn sick leave on a basis proportional to that of a full-time employee in a similar position.
- G. Accrued sick leave shall be reduced only for time lost wherein the employee would otherwise be required to render service to the District.
- H. The District may require a physician's statement when an employee is absent for six (6) or more consecutive days. When such verification is required of a sick leave less than six (6) days, the District may only require the verification for good cause. In those cases where an employee is aware that such employee will be absent for twenty (20) days or more, the employee shall notify the immediate supervisor of the situation and provide the District with a statement from the employee's physician confirming the disability and prognosis and an estimate of the anticipated term of absence. When that term is indefinite, a subsequent statement may be required by the District. In such cases and prior to the employee's return to

such employee's assignment, a statement from the physician verifying the employee can return to the employee's assignment, without detriment to health, must be submitted to the immediate supervisor upon return of duty. The supervisor will forward the information to the Human Resources Office. At District expense, the District may require a statement from a physician of its choice verifying the employee's ability to perform the tasks entailed in the employee's assignment.

- I. An employee who uses sick leave, in order to keep an appointment with a physician or dentist will have the time absent charged to sick leave unless the time absent is after the time of the last regularly scheduled student dismissal during a normal school day or is prior to the beginning of the regular school day or in the last hour of a non-instructional employee's workday. Such leave shall not interfere with regularly scheduled faculty meetings or duty responsibilities, and the employee shall notify the supervisor in advance of such an appointment. The District may only require verification of the employee's attendance at the appointment for good cause.
- J. An employee may utilize sick leave for disabilities caused or contributed to by pregnancy and recovery there from.
- K. If an employee is quarantined by the County or City Health Department of his county or city of residence because of the illness of another person, the absence shall be a paid leave and shall not be charged to sick leave. In all other circumstances involving quarantine the employee shall use sick leave. In all cases, the District shall require that the employee provide written verification of quarantine and the dates thereof from the controlling agency. Without such verification the absence may be unpaid.
- L. The District shall provide each employee with a written statement of the employee's total accrued sick leave, including the sick leave entitlement for the school year. Such statement shall be provided no later than November 1 of each school year.
- M. When an employee has used all or a portion of the sick leave allowable and subsequently fails to serve the District for the full school year, an appropriate dollar amount shall be deducted from the employee's final salary warrant. The appropriate amount shall equal the employee's daily rate of pay times the number of sick leave days used but unearned.

N. Extended Illness Leave

1. During each school year, when a bargaining unit member has exhausted all available sick leave, including all accumulated sick leave and continues to be absent from his or her duties on account of illness or accident for an additional period of five (5) school months, whether or not the absence arises out of or in the course of the employment of the bargaining unit member, the amount deducted from the salary due him or her for any of the additional five (5) months in which the absence occurs shall not exceed the amount paid for a substitute employee, employed to fill his or her position during this or her absence, but in no case shall this amount be less than fifty per cent (50%) of the employees regular salary.
2. For purpose of section one above:
 - (a) The sick leave, including accumulated sick leave, and this five (5) month period shall run consecutively.
 - (b) A bargaining unit member shall not be provided more than one five month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the bargaining unit member may take the balance of the five-month period in the subsequent school year.
3. This section shall be applicable whether or not the absence from duty is by reason of a leave of absence granted by the District.
4. When a bargaining unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five-month period provided pursuant to Ed. Code #44977 and the member is not medically able to resume the duties of his or her position, the member shall, if not placed in another position, be placed on a re-employment list of twenty-four (24) months if the member is on probationary status, or for a period of thirty-nine (39) months if the member is on permanent status. When the bargaining unit member is medically able, during the 24 or 39 month period, the member shall be returned to employment in a position for which he or she is credentialed and qualified. The 24-month or 39-month period shall commence at the expiration of the five-month period provided pursuant to Ed. Code #44977.

Section 4 - Industrial Illness and Accident.

Employees shall be granted paid leave for absences caused by industrial accidents or illnesses. Employees are covered by Workers' Compensation Insurance for any injury or illness arising out of, and in the course of, their employment.

- A. Total allowable leave shall be sixty (60) days during which the schools are required to be in session or when the employee would otherwise have been performing work for the District.
- B. Leave will begin on the first day of absence after the date of injury.
- C. Industrial injury/illness leave must be authorized in writing by a physician.
- D. Industrial accident/illness leave shall be reduced by one (1) day for each day of authorized absence.
- E. An employee shall be deemed to have recovered from an industrial accident/illness and thereby able to return to work with reasonable accommodation at such time as the attending physician verifies there has been a recovery. The District, at its own expense, may request the opinion of another physician.
- F. During the first sixty (60) days of industrial injury/illness leave, the injured employee shall be paid his full salary.
- G. When an industrial accident/illness leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due such employee for the same illness or injury.
- H. When entitlement to industrial accident leave has been exhausted, all sick leave benefits accrued as an employee may commence, in accordance with this Agreement.
- I. Following the expiration of the 60-day Industrial Leave, regular sick leave may be used. If the employee receives workers' compensation benefits while on sick leave, such employee will receive that portion of sick leave pay which, when added to the temporary disability benefit, will equal the employee's regular salary.
- J. During periods of injury or illness, any employee receiving benefits as a result of this section shall remain within the State of California. Approval for travel outside the state must be

obtained from the District. Failure to obtain such approval may result in a loss of benefits as provided in this section.

- K. An employee report of industrial accident or illness must be on file in the Human Resources Office.
- L. Modified Work Program. When an employee with an industrial accident or injury is determined by the attending physician to be able to return to work with restrictions, the following shall occur:
 - 1. A conference will be held to include the employee, the employee's supervisor and a representative of the District Employee Services Office to determine if the employee can return to his/her regular job within the restrictions. A RCTA representative shall be present if requested by the employee.
 - 2. If it is determined by the Administrator, Employee Services, that the employee cannot perform his regular assignment, consideration will be given to a modified position within the restrictions at the regular work site, which the employee could fill on a temporary basis.
 - 3. Should no appropriate assignment be available at the employee's regular worksite, a temporary assignment within the restrictions will be identified elsewhere in the District for the employee. The employee shall be entitled to twenty-four (24) hours notice prior to beginning an assignment. A different assignment on the following work day would only require notification prior to the end of the current workday.
 - 4. Refusal of an assignment within the physician's restrictions will stop leave eligibility if the assignment is the same as the employee's regular assignment.
 - 5. The employee shall not be required to work a temporary assignment if it is for less than the employee's regular assignment.
 - 6. The employee shall be paid the same rate of pay as though the employee was working the employee's normal assignment.
 - 7. The Modified Work Program will be reduced to writing and signed by all parties.

Section 5 - Health Leave.

- A. An employee shall be granted a leave of absence without pay for reasons of health. Such leave will be for a period no longer than one (1) year. A Statement of Need by a physician is required with the written request. The District may obtain, at District expense, the opinion of a physician chosen by the District. Probationary or tenure status of an employee requesting Health Leave will not be affected if the provisions for request are fulfilled. An

employee may be granted, upon request, a shorter period of leave if such is considered by the District to be in its interest, and such leave is consistent with the Statement of Need.

- B. The employee shall notify the District of the employee's intended return date at least two (2) weeks in advance of the expiration date of the leave. Failure to provide such notice may be cause for termination.
- C. The request to return from a Health Leave shall be accompanied by a statement from the employee's physician indicating that the employee can return to full-time employment without detriment to the employee's health. The District may request, at District expense, the opinion of a physician chosen by the District.
- D. An employee on Health Leave for twelve (12) months or more shall be placed on a reemployment list at the expiration of the Health Leave. Such an employee will remain eligible for reemployment for thirty-nine (39) months. At the end of that period the employee's employment rights shall end. Should the employee be able to return to work during the thirty-nine (39) month period, the employee will be returned to regular status upon request at the beginning of the next school year, or earlier if a position exists for which the employee is qualified.

Section 6 - Maternity Leave.

Absence from the job for disabilities caused or contributed to by pregnancy and recovery there from are treated the same as any other short term or long term temporary disability or illness.

- A. Pregnant employees do not need to provide the District with a physician's statement to remain on the job at any time prior to childbirth, unless the employee's performance of duties is affected by her condition.
- B. Paid Sick Leave may be used for absence due to pregnancy. Absence preceding childbirth which exceeds six (6) days may require a physician's statement. Absence for six (6) weeks or less following the birth does not require a physician's statement; absence which exceeds six (6) weeks will require a physician's statement for the employee to continue to be eligible for sick leave status. If accrued sick leave is exhausted during the period of sick leave eligibility, the employee will receive extended sick leave benefits of not less than half pay.
- C. For normal pregnancy, most physicians release employees to return to work no later than six (6) weeks after childbirth. Generally, in the absence of a physician's statement that the employee's condition would prevent her from returning to work, the Human Resources

Office will assume that six (6) weeks after childbirth the employee is no longer "disabled" and is, therefore, no longer eligible for sick leave benefits. Should the employee wish to remain off work for a longer period of time for such purposes as child rearing, nursing, illness of the child and the like, an application for Parenthood Leave, which is an unpaid leave, should be submitted to the Human Resources Office. Such leave is normally granted for not less than a semester or for the remainder of the semester in which it begins. An application for Parenthood Leave prior to childbirth should request that the leave begin "at the expiration of sick leave benefits."

The employee's request shall be made in writing at least ten (10) school days prior to the anticipated starting date of the leave.
- B. A leave under this section shall normally be granted for not less than a full semester or for the remainder of the semester in which the request is filed. The District may grant a shorter leave when requested by the employee.
- C. If an employee is granted leave under this section and, after the leave is granted, the employee desires to return to work prior to the end of the leave, the employee may request immediate reinstatement to a position of like status and benefits. The District shall grant such a request when there is a vacancy for which the employee is deemed qualified by the District. At the time the leave would normally have ended, the employee shall be reassigned to the position held at the time the leave was granted, provided that the staffing at the previous school has not been reduced.

Section 8 - Adopting Parents Leave.

Once a bargaining unit member has legal custody of an adopted child, he or she may use up to six (6) consecutive weeks of accrued sick leave to bond with the child. If two bargaining unit members are parents of the adopted child, only one is eligible for Adopting Parents Leave. Additional parental leave may be taken through Section 7 above.

Section 9 - Disability Leave.

- A. Any employee receiving a disability allowance from the State Teachers' Retirement System shall be placed on an unpaid leave status for a period not to exceed thirty-nine (39) months. At the end of the thirty-nine (39) month period, the employee's employment rights will end.
- B. If, during the thirty-nine (39) month period, the STRS determines that the disability no longer exists, the employee will be returned to regular status upon request at the beginning of the next school year.

Section 10 - Family Care and Medical Leave

Two (2) additional days will be granted to an employee if travel of more than 200 miles one way or out of California is required because of the death of any member of the employee's immediate family.
- B. Any additional days requested beyond those provided by the bereavement leave policy must be handled through the provisions under the section, "Personal Necessity Leave."
- C. 1. "Immediate Family" means those relatives or step-relatives bearing the following relationships to the employee claiming Bereavement Leave or to the employee's spouse or registered domestic partner.

Mother	Son	Brother	Grandparent	Grandchild

- 2. Any person living in the employee's household shall be deemed to be a member of the immediate family.

9. Other personal necessity must be approved by the site administrator and Human Resources.

1. The days allowed shall be deducted from and may not exceed the number of full-pay days of sick leave to which the employee is entitled.
2. Personal necessity leave shall not be granted during a scheduled vacation or a leave of absence.
3. Payment for such absence shall be made only upon completion of a written report by the employee to the District stating that the absence was due to a situation designated as a personal necessity within the meaning of this section. The District may deny the employee's request if the leave was not a personal necessity within the meaning of this section.

- C. Personal Business Leave: Employees shall be eligible to use up to four (4) days of unrestricted personal business leave per each school year, to be deducted from any available sick leave days accrued. Section 14 - Jury Duty Leave.

When an employee is on jury duty, that employee shall receive his regular earnings, provided that the employee reimburse to the District the jury duty fees received by the employee. The employee may retain any mileage reimbursement. The employee will be released from work without loss of pay for the required hours of jury service. When an employee is selected to serve on a jury which is expected to serve for more than two weeks, the District will make reasonable efforts to secure an appropriate substitute who will serve for such period in an attempt to provide continuity for the class assigned to the teacher on leave. If an employee is serving jury duty and has been released for part of a day, the employee shall report immediately to his or her supervisor and continue service for the remainder of the workday, unless such release is after 1:30 p.m. The District and the Association shall recommend to all District employees that they request that jury duty service be deferred to non-work days.

Section 15 - Court Appearance Leave.

- A. Employees subpoenaed by the court as a witness in any court action involving the district, or subpoenaed as a witness because of their District duties, shall suffer no loss of compensation for the time they are required by the court to be away from their District assignment.

An employee subpoenaed by the court as a witness in a case that is not directly related to the employee's employment in the school district shall, upon request, be granted personal necessity leave. When personal necessity leave has been exhausted, the cost of a substitute shall be withheld from the employee's pay for each day the court requires that the employee absent himself from work.

Section 18 - Study Leave.

- A. After having acquired tenure, an employee may, at the discretion of the District, be granted a leave of absence without pay for the purpose of educational improvement and advancement. An additional year of leave may be granted where completion of the courses for advancement requires an extension of time and when it will not cause a hardship to the District.
- B. Semester leaves may be granted under this policy if the request is given prior to November 1 for the second semester and June 1 for the first semester, and a suitable replacement can be secured.
- C. Employees must provide the District with written notice no less than thirty (30) days before the expiration date of the leave, or before May 15, whichever is earlier, of their intention to return. Failure to so notify the District will be considered as notice that the employee will not return, and the employee will be terminated.

Section 19 - Teacher Exchange Leave.

The District shall cooperate with employees who wish to participate in foreign teacher exchange programs.

Section 20 - Leaves of Absence for Employees Elected to the Legislature.

- A. A tenured employee who is elected to the State Legislature or Congress shall be granted, upon request, an unpaid leave of absence for the length of the term or terms in office.

Section 23 - Catastrophic Leave Bank.

A. Intent of Bank.

B. Participation/Eligibility.

Certificated unit members with more than 10 (ten) days of accumulated sick leave and at least one year of service (at least 75% of the school year) in the District may participate in the Catastrophic Leave Bank. Unit members who elect to join the Catastrophic Leave Bank may join the bank only during open enrollment periods and must have a waiting period of thirty (30) calendar days after joining the bank before becoming eligible to withdraw from it.

The Catastrophic Leave Bank shall not be available to any unit member during a leave of absence. Unit members returning from a Board approved extended leaves of absence shall

C. Donation of Days.

A unit member may elect to participate in the Catastrophic Leave Bank by donating at least one (1) day (1 day = current daily hours assigned) of his/her accumulated sick leave to the Catastrophic Leave Bank. No member shall contribute more than five (5) days to the Catastrophic Leave Bank in any one open enrollment period. The unit member shall make this donation by filing an appropriate form with the Catastrophic Leave Bank Committee during the open enrollment period. This donation shall be irrevocable. A donation to the Catastrophic Leave Bank must be made from the unit member's accumulated sick leave and shall not be designated to a specific unit member for his/her exclusive use.

D. Administration of the Bank.

A Catastrophic Leave Bank Committee shall administer the Catastrophic Leave Bank. The Committee shall consist of six (6) members, three appointed by the Superintendent and three appointed by the Association. E. Additional Donations.

Additional donations will be assessed of each participant if the number of hours in the bank fall below (1500 hours). Such assessments shall be made in writing and approved by the unit member to continue current participation in the bank. Unit members who are drawing from the bank at the time of the assessment will not be required to contribute in order to remain eligible to receive benefits from the bank.

F. Enrollment Procedures. The District shall establish an open enrollment period each year for unit members to participate in the Catastrophic Leave Bank. Such enrollment period shall be July 1 through October 1. Once a unit member becomes a participant in the Catastrophic Leave Bank, he/she shall not be required to re-enroll each year, but a unit member shall be required to renew their participation in the bank whenever member assessments are required by the Catastrophic Leave Bank Committee.

2. The benefits of this leave must be used prior to being compensated for differential pay where that applies.
3. A unit member electing to use the Catastrophic Leave Bank shall complete an appropriate form in order to make a draw on the bank. The unit member must submit this form to the Catastrophic Leave Bank Committee for processing. In the request, the unit member shall clearly state the details of his/her injury/illness and the number of days of sick leave he/she is requesting from the bank. Appropriate written verification of the illness or injury, including, but not limited to, an off work order signed by the unit member's physician must be included with the request. The unit member should be prepared to provide additional documentation on the nature and severity of the illness or injury if requested by the Catastrophic Leave Bank Committee, and decisions of that committee shall be final.
4. In the event that the unit member is personally unable to apply for catastrophic leave, an immediate family member or unit member's agent may make the request for the applicant.
5. When the unit member may reasonably be presumed to be eligible for disability retirement under STRS, or, if applicable, Social Security, he/she may be required to apply for such retirement. Failure of the unit member to submit a complete application, including medical information provided by the applicant's physician, within twenty (20) calendar days, will disqualify the unit member from further Catastrophic Leave Bank benefits.

H. Allowable Duty Days. The maximum number of duty days allowed to be utilized by one unit member for a single injury/illness shall not normally exceed twenty (20) duty days. The number of sick bank days needed by the unit member shall be specified in the request. The unit member may request up to the twenty (20) additional days by filing an additional request for consideration by the Catastrophic Leave Bank Committee. Any days approved by the committee but unused by the unit member shall be returned to the Catastrophic Leave Bank. No unit member shall receive more than forty (40) days for a single injury/illness from the Catastrophic Leave Bank.

- I. Method of Payment. When a unit member uses a day from the Catastrophic Leave Bank, pay for that day shall be at the same rate the unit member would have received had he/she worked that day. No distinction shall be made as to the differing pay rates of the donor or the recipients.
- J. Cancellation of Participation. Cancellation of the unit member's membership in the Catastrophic Leave Bank occurs automatically whenever he/she fails to make an assessed contribution. The unit member shall not be eligible to draw from the bank as of the effective date of cancellation. Sick leave previously authorized for contribution to the Catastrophic Leave Bank shall not be returned to the unit member's account of accumulated sick leave.
- K. Accounting. By September 20th of each year, the Payroll Office shall provide the Catastrophic Leave Bank Committee with a statement detailing the number of days withdrawn from the Bank during the past year and the number of days available in the bank as of the first of July of the current year.
- L. Termination of Catastrophic Leave Bank. If the Catastrophic Leave Bank is terminated for any reason, the hours remaining in the bank shall be equally distributed to the current members of the Catastrophic Leave Bank. In the event of a natural disaster or catastrophic event, the Superintendent shall retain the right to suspend the provisions of this section.
- M. Hold Harmless. The Association agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind related to any attempt by a unit member to retrieve donated sick leave used by another unit member pursuant to this provision. The Association also agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind which attempts to challenge in any way the legality of enforcement of this provision.

The Association agrees to defend, indemnify, and hold harmless the District from any loss or damages arising from the implementation of this provision.

In the event of any grievance, claim or lawsuit challenging the legality or enforcement of this provision, the District may terminate this provision upon written notice to the Association.

- A. Implementation, K-6 Grade Levels. Whenever the District intends to implement Continuous School Program (CSP) at the K-6 grade levels, the District will provide no less than one hundred twenty (120) calendar days' notice to the Association prior to implementing CSP education at any particular site in order that the Association can participate in planning and providing input prior to decision making.
- B. Implementation, 7-12 Grade Levels. Whenever the District decides to implement CSP at grade levels other than K-6, it will provide one hundred twenty (120) calendar days notice of such intent to the Association and will meet and negotiate regarding issues arising because of the implementation at these grade levels. If the District and the Association have not reached agreement before the end of the one hundred twenty (120) calendar days notice period, the District may implement its last offer and the parties will continue to meet in a good faith attempt to reach agreement. The parties shall retain all PERB rights in regard to such implementation. The District and the Association will continue to discuss implementation of CSP during the term of the Agreement.
- C. Participation - Voluntary. The District shall make every reasonable effort to have participation in the Continuous School Program voluntary on the part of unit members.
- D. Involuntary Transfer from Continuous School Program. The following provisions are to be adhered to in dealing with involuntary transfers from Continuous School Program worksites necessitated by low student enrollment:
 - 1. The site principal shall seek a volunteer. In the event there is no volunteer, the unit member with the least District seniority shall be involuntarily transferred according to the provisions of Article XV of the Certificated Agreement.
 - 2. The unit member who is involuntarily transferred shall not be required to work more than his/her contract work year. Should the unit member volunteer to extend his/her work year, he/she shall be paid at his/her per diem rate of pay.
- E. Track Reassignment.

The District will make every reasonable effort to avoid involuntarily reassigning a unit member to a different track to which the unit member is assigned.

3. Unit members involuntarily reassigned under this provision during the school year shall have the right to indicate preferences from a current list of vacancies at another CSP site for a track other than the one to which the member is being reassigned. Such unit members, if qualified, shall have preference over those employees seeking voluntary transfer in regard to choice among those positions which are vacant.
4. Permanent and second-year probationary (P-2) unit members involuntarily reassigned under this provision, for the subsequent school year, shall notify their site administrator within five (5) workdays of their decision to accept the reassignment or be declared an involuntary transfer. Such a transfer shall be to another CSP site for a track other than the one to which the member is being reassigned. Involuntary Transfers under this provision shall then notify the District within five (5) workdays of receiving the Spring Hiring vacancy list of their choices among those positions which are vacant or their decision to remain at their current site and accept the track reassignment. Such unit members will receive the listing before the vacancies are posted district wide and, if qualified, shall have preference over those employees seeking voluntary transfers.

Section 2 - Assignment to Worksites and Positions Designated The Continuous School Program (Initial Year).

- A. Unit members presently assigned to worksites or positions designated for the Continuous School Program shall have the right to remain at those worksites or positions unless they become subject to involuntary transfer pursuant to Article XV of the Agreement.
- B. Track Assignment of Unit Members In Worksites Designated For CSP.
 1. Within ten (10) workdays after notification of the District's intent to implement a CSP, the faculty and administration will meet to discuss the most equitable distribution of track assignments. It is the intent of this Article to allow the faculty and administration of a particular CSP site to determine track assignments to the greatest extent possible, with the District retaining the right to make final assignments. If track assignment agreement is

not reached during the process, the site administrator shall consider the following criteria in assigning teachers:

(a) Seniority in the District.

No support services unit member will be required to work a four (4) day work week. If the proposed schedule is disapproved, the reasons for disapproval shall be in writing upon request of the unit member. If agreement is not reached, the proposed schedule will be submitted to the Superintendent or his/her designee for final approval.

Applicants not in the employ of this district shall not be hired for any summer school teaching position for which there is a qualified district employee available with recent experience teaching in that subject area; (i.e. math, science, social studies, etc.). Current employees with clear credentials appropriate to the position shall be hired before applicants with emergency credentials. When there are two or more current employee applicants with clear and appropriate credentials, priority shall be given to the one with recent (within the past three (3) years) experience or special training in the course to be taught. ADULT & ALTERNATIVE EDUCATIONAL SERVICES SALARY SCHEDULE

Effective July 1, 2008

1% Increase over January 1, 2008

This schedule is to be used for hourly Probationary and Tenured teachers in Adult & Alternative Educational Services.

HOURLY PROBATIONARY & TENURED ADULT & ALTERNATIVE EDUCATIONAL SERVICES EMPLOYEES ONLY

Adult & Alternative Educational Services teachers shall be paid the appropriate hourly rate for each class assigned as long as that class is maintained. These employees shall be paid monthly.

Whenever, in the judgment of the principal, the instructional hours of a full-time tenured employee's assignment can be accurately estimated annually, that employee shall be paid an annual salary for the work year. This salary shall be paid in equal monthly installments. The salary shall be computed by multiplying the hourly rate appropriate to the individual employee by the total number of instructional hours in the annual assignment of the tenured employee. This provision shall not apply to summer school or other special short-term assignments.

If enrollment or funding changes force the diminishment of a tenured employee's teaching assignment and there is no other appropriate class to which the tenured employee may be assigned, then the tenured employee's annual salary will be diminished in proportion to the reduction in instructional hours. Tenured and probationary employees who are actually teaching in one or more Adult & Alternative Educational Services classes and who serve as Adult & Alternative Educational Services substitutes, day or evening, will be paid on their correct column and step placement for substituting according to the schedule on this page.
