

RIVERSIDE UNIFIED SCHOOL DISTRICT
AND
RIVERSIDE CITY TEACHERS ASSOCIATION
MEMORANDUM OF UNDERSTANDING
DECEMBER 19, 2018

ARTICLE XII, Section 2 F is amended to read:

F. For the 2018-19 school year, primary grade (grades 1, 2 and 3) classes shall be established using a student-to-teacher ratio consistent with the adopted state budget applicable for the specific school year (targeted staffing ratio for the Grade Span Adjustment (GSA). The goal is to reach 24:1 by 2020-21 unless the GSA funding changes. The maximum annual staffing ratio for each school site for regular education classrooms shall be the targeted annual staffing ratio for each school site plus a tolerance factor of three (3) points. For example, if the targeted annual staffing ratio is 25.5, then the maximum annual staffing ratio shall be 28.5. The tolerance factor is designed to protect the District from financial penalties for deviations from the targeted annual staffing ratio as provided for in Education Code, Section 42238.02.
